 Indicates product rebate stack potential is available on the seasonal promotion and the Horizon Annual Rewards program.

How it works: Earn with every eligible product purchase

As part of the Envu Horizon Annual Rewards program, purchase qualifying Envu products across the pest and lawn portfolio throughout the year to build your tier level and multiply your earning potential.

All qualifying purchases made by eligible lawn care operators and pest management professionals through authorized distributors or agents earn tier credits (ranging from 10–10,000 per unit) that contribute to your tier level. As your credits increase, your level rises and acts as a multiplier on rebates earned from eligible products.

Tier Level Rebate Multiplier	1x	2x	3x	4x	5x	6x
Tier Credit Ranges	2,500–4,999	5,000–14,999	15,000–29,999	30,000–59,999	60,000–119,999	120,000–199,999

Explore your rebate potential today at envuhorizon.com

*Offerings may not apply to all segments and are intended only for PMPs and LCOs. Exclusions apply. Check with your Envu or distributor representative for more information. Pricing for all states except CA or WA.
**Horizon Annual Rewards potential represents the minimum rebate if Tier Level 1 is reached. Your tier acts as a multiplier. If you reach Tier Level 2, your rebate = 2X in Annual Rewards, etc. See Horizon Annual Rewards program for full Tier level details. Must be registered in Envu Horizon and accept current Terms and Conditions to participate. Members enrolled in Envu Horizon by September 30 are eligible to receive rebates from this program. All rebates will be paid in points, which can be redeemed for thousands of catalog items, distributor credits and/or company checks (no checks can be issued to a third party). All products must be invoiced between Aug. 1 and Sept. 30, 2026, to qualify. End user payments for Scion® only are due to Distributor agents no later than June 4, 2027. Rebate calculations will be based on the date of actual product invoice and calculator tools are provided for estimation purposes only. Rebates will only be paid or delivered to the company or name listed on the invoice. Please allow for Scion rebate to be fulfilled by July 31, 2027. All other products will receive a rebate payout 75–90 days after the promotion ends. Resale of product(s) purchased within this program will not qualify for rebates. If questions arise, please contact Envu Horizon Headquarters at 1-888-456-6464 or email info@envuhorizon.com. Envu reserves the right to modify any portion thereof, or discontinue this program without prior notice. Envu shall have no obligation to pay any incentive due to Distributor unless or until Distributor is current on all payments. Envu reserves the right to withhold or offset any rebate against past due amounts.
