

Zero-Cost Bird Spike Installation Is Here FREE Adhesive with Commercial Spike

Simple design. Easy installation. Long-term bird control results.

Bird Spikes from Bird B Gone® are one of the most popular and effective deterrents on the market. They're a natural solution for rooftops, ledges, windowsills – anywhere birds may be perching.

Spikes are a great way to begin your bird work journey as a PCO – no special training needed. **And, for a limited time, maximize the profitability of your commercial bird work with FREE adhesive with purchase of select Bird B Gone Bird Spikes.** It's a value that scales – the bigger the job, the bigger the discount – and the greater the return to your bottom line.

Bird•B•Gone spikes may be ordered from your Vesperis Rep or at [Vesperis.com](https://www.veseris.com)

TERMS & CONDITIONS

*This promotion is available to all commercial customers in the United States from July 13 – August 31, 2026, unless extended at Bird B Gone's discretion. Free adhesive is calculated as one (1) free tube per 25 ft of spike (two (2) tubes per 50-foot pack ordered). Promotion is valid on new plastic and stainless steel spike (BBG2000 and BBG2001 series) sales only and is while adhesive supplies last (for a full list of participating SKUs, contact bbgmarketing@birdbgone.com). Promotion not available for online orders.

INSTRUCTIONS: All orders will be fulfilled as a direct shipment from Bird B Gone – Customer is to place order with Vesperis. Orders must be in equal qualifying amounts. Vesperis will invoice customer for the Bird Spikes at Customer's regular price and at no cost for the free qualifying adhesive Vesperis Product Code - 790417. Customer should expect delivery from BBG within 5-7 business days.
